Le Fonti CEO Summit and Awards 2025: Celebrating Innovation, Leadership, and Success

Promoting innovative excellence at world famous venues in international economic centers.

Founded in 2004, **Le Fonti** is a media company that tracks and reports on the evolution of markets and businesses across various sectors through a comprehensive and specialized communication and information system. Thanks to specialized editorial teams, articles and news are published on the Le Fonti network, aiming to satisfy our community's desire for knowledge and deeper insights into the latest topics. The Awards are organized by Le Fonti, an independent media and research company with over 20 years of experience, having hosted more than 150 gala events in Italy and over 40 events worldwide, including in exclusive venues such as **Singapore, Hong Kong, New York, London, Milan, and Dubai**. Hundreds of companies have been recognized for their achievements in innovation, sustainability, leadership, internationalization and research. The hallmark event of the **Le Fonti Awards** is the **CEO Summit**, a C-level meeting that brings together over 200 CEOs, top executives, and leaders from Italian and international companies, banks, and law firms. An excellent debate to create connections, analyse hot topics of the present, and outline future scenarios. "Innovation is the future, and we aim to give companies from around the world the opportunity to shine their stars and promote their innovative ideas", declared **Le Fonti's President and CEO, Guido Giommi**, "We believe that the more companies are recognized for their innovative culture, the greater the possibility that they will embrace the change which our society is headed towards." Outstanding companies and local industry leaders have been recognized for their achievements. The CEO of the Year award in Software Development went to **Federica Spagnulo** from **Algòmera**; **Cesare De Stefano** from **Nuvola Zero** was named CEO of the year for Innovation & Leadership in the Food Sector; **Marco Peruzzi** from **Officine Meccaniche Segni** was recognized as CEO of the Year for Innovation & Leadership in Precision Machining. **BlackRock** was recognized as Innovation & Leadership of the Year for Sustainable Financial Services; **Medexpert** as Innovation & Leadership of the Year for Insurance Medicine; **Investimenti & Finanza Merchant** as Innovation & Leadership Excellence of the Year for Extraordinary Financial Services;

Algòmera as Innovation & Leadership Excellence of the Year for Cloud Software Design; **IMS Micronizzazioni** as Innovation & Leadership Excellence of the Year for Micronized Technologies, and **Sercos Servizi Costruzioni** as the Excellence of the Year for Innovation, Construction, and Management. **Lubea**, with its **CEO and Founder Giuseppe Mura**, stood out as the Excellence of the Year for Innovation and Sustainability in Corporate Social Responsibility. **Giovanni Sandri** of **BlackRock** was named Managing Director of the Year for Sustainability, Investment, and Finance. The selection procedure was conducted by the Scientific Committee of Le Fonti as well as by a team of financial, legal, and economic journalists from over 120 countries throughout the world. The winners were indicated by a panel of journalists and members of the Le Fonti editorial staff.
